

Welcome Prudential Douglas Elliman Brokers

Greetings from Aspen!

I'm pleased to be the Aspen broker selected to host the exciting program of referrals for Douglas Elliman brokers and their clients who come to Aspen. I am sure many of you will remember me from the years I spent as a colleague in the 57th Street Douglas Elliman office. Having settled in Aspen 7 years ago I have reached a level of competency in the local market which I am happy to share with you and your clients. When your clients choose to invest in the Aspen lifestyle or enjoy it seasonally in winter and summer and I look forward to assisting them with their real estate and rental needs.

Sending referrals to me in Aspen will work the same way as sending a referral to another broker within Douglas Elliman. If you would like to call to discuss the specifics or to refer a client, please contact me at the numbers listed below.

You can feel confident that your needs will be professionally represented.
